

PULSE™ SMARTPEN

Record everything you hear and write. Then replay the recorded audio by tapping directly on your notes.

LIVESCRIBE™ DESKTOP

Save your notes to your computer, then search for words within your notes. Export your notes and audio locally as PDF or audio files.

LIVESCRIBE COMMUNITY

Share your notes and recordings online publicly or privately. Embed your pencasts on the web or share them on Facebook.

SMARTPEN APPLICATIONS

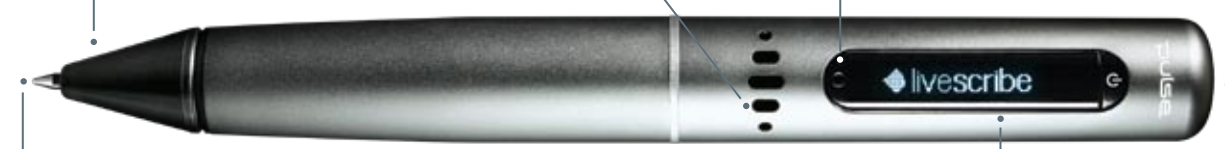

Make your Pulse smartpen even smarter with third party games, tools, and utilities. Download the latest applications at Livescribe.com

INFRARED CAMERA
captures everything you write and draw on dot paper.

BUILT-IN SPEAKER
plays back your recorded audio.

MICROPHONE
records clear sound.

AUDIO JACK
for 3-D Recording Headset
enables distance recording.

Tap on your notes or drawings with the tip of your Pulse smartpen to play back recorded audio.

USB CONNECTOR
transfers notes and audio to your computer and recharges your Pulse smartpen.

OLED DISPLAY
makes it easy to use Pulse smartpen applications.
